I.D. # 42098

Dear General Cornyn,

I would like to request an Attorney general's opinion on the following issue:

There is a retired teacher from the Pharr-San Juan Alamo School District. She would like to return to teaching in the same school district, however, the district claims she can only be granted a substitute position because of nepotism laws. The person in question has a family member on the school board of this school district.

I would like an Attorney General's Opinion as to whether or not the nepotism law applies in this case.

I have attached correspondence from Mrs. Navarro regarding this issue and will be happy to assist in any way I possibly can should you or your staff need more information.

Thank you for your assistance in this matter.

Sincerely,

Jim Solis
State Representative
