OFFICE OF THE ATTORNEY GENERAL
EXECUTIVE ADMINISTRATION

2344

Dear Attorney General Cornyn:

Please accept this letter as a request for opinion regarding the appointment of elected officials to a Water District pursuant to Section 36.051 of the Texas Water Code.

Currently, Section 36.051(b) reads "[a] member of a governing body of another political subdivision is ineligible for appointment or election as a director. A director is disqualified and vacates the office of director if the director is appointed or elected as a member of the governing body or another political subdivision. *This subsection does not apply to any district with a population less than 50,000.*" (Emphasis added)

Additionally, Attorney General Opinion Letter's LO-93-70 and LO-94-020 state that "[t]he governing body of an entity that is authorized to make an appointment to the board of directors of the EAA may not appoint one of its own members to that position"; and "[t]he common-law principle that disqualifies all members of a public governing body with the appointing power from appointing themselves to a different position, applies to each governmental body that Acts 1993, 73d Leg., ch. 626, sec. 1.09(b), at 2359, requires to appoint a member for the board of directors of the Edwards Aquifer Authority;" respectively.

At issue is whether elected officials of a governmental body, in a district with a population of less than 50,000, who appoint each other to a groundwater conservation district violates state statute and or Attorney General Opinion Letters LO-93-70 and LO-94-020. Moreover, if these appointments violate state statute or Attorney General Opinions, what are the implications of any decisions that were voted on by members of this board.

Feel free to contact me if you need more information and thank you for attention to this matter.

Sincerely,

Frank Madla
