

Office of the Attorney General
Request for Applications (RFA) for the
Sexual Assault Prevention and Crisis Services–Federal (SAPCS–Federal) Program

The Crime Victim Services Division (CVSD) of the Office of the Attorney General (OAG) is soliciting applications from local and statewide programs that wish to utilize SAPCS–Federal funds for projects that support the primary prevention of sexual violence.

Applicable Funding Source: The source of federal funds includes the Federal Department of Health and Human Services, Preventative Health and Health Services Block Grant, Catalog of Federal Domestic Assistance (CFDA) Number 93.991 and Injury Prevention and Control Research and State and Community Based Programs, CFDA Number 93.136. The federal funds are used for grant contracts supporting the primary prevention of sexual violence. State funding may also be available. All funding is contingent upon the appropriation of funds by the United States Congress and the Texas Legislature. The OAG makes no commitment that an application, once submitted, or a grant, once funded, will receive subsequent funding.

Eligibility Requirements:

Eligible Applicants: Local units of government, excluding law enforcement agencies and prosecutor’s offices; non-profit agencies with 26.U.S.C. 501 (c)(3) status; and state agencies are eligible to apply for a SAPCS–Federal grant.

Local Programs: Eligible local programs must meet the local program eligibility requirements for a SAPCS-State grant which means the local program must offer the following minimum services for at least nine months prior to receiving an SAPCS-Federal grant contract: 24-hour crisis hotline; crisis intervention; public education; advocacy and accompaniment to hospitals, law enforcement offices, prosecutor offices, and courts for survivors and their family members; and crisis intervention volunteer training.

Statewide Program: A statewide program, to be eligible for special project funding, must show that it supports efforts to maintain or expand existing services offered by local sexual assault programs; improve services to survivors; or other activities consistent with Texas Government Code, Chapter 420.

A local or statewide program does not have to actually apply or receive a SAPCS-State grant to meet these eligibility requirements for an SAPCS-Federal grant.

Eligibility: The OAG will initially screen each application for eligibility. Applications will be deemed ineligible if the application is submitted by an ineligible applicant; the application is not filed in the manner and form required by the Application Kit; the application is filed after the deadline established in the Application Kit; or the application does not meet other requirements as stated in the RFA and the Application Kit.

How to Obtain Application Kit: The OAG will post the Application Kit on the OAG's official agency website at <http://www.oag.state.tx.us/victims/grants.shtml>. Updates and

The OAG may give priority to applicants that do not receive other sources of funding, including funding that originates from the Texas Compensation to Victims of Crime Fund.
